

Come to the AAMI eXchange, June 3-6, 2022 in San Antonio, TX to discover new technologies that can improve your facility's healthcare delivery and increase your own productivity and professional knowledge.

- ◆ Meet with representatives from more than 150 medical equipment manufacturers, including many of the world's leading companies.
- ◆ Get a first-hand look at state-of-the-art technology, including wireless telemetry, monitoring devices, equipment management software, imaging equipment, and much more.
- ◆ See demonstrations of cutting-edge medical equipment in a full series of interactive Product Showcases—20-minute presentations by AAMI eXchange exhibitors, scheduled in the Expo Hall throughout the Expo hours.
- ◆ Network with more than 2,500 of your colleagues from across the nation and around the world.

Complimentary Expo Pass
This pass is compliments of

Fluke Biomedical & RaySafe - Booth #509

This three-day pass, a \$125 value, includes access to the AAMI eXchange Main Stage presentations, Expo Hall, and AAMI's Career Center

For the Schedule of Events, [click here](#).

Three Easy Ways to Register

1. Online: www.AAMleXchange.org

Select "Expo Plus" registration option, enter the coupon code, and the cost will be updated to zero.

2. Phone: 1-800-373-3174

Request "Expo Plus" registration and mention the coupon code.

3. On-site at the AAMI eXchange Registration Desk

Bring this pass with you to the AAMI eXchange (Henry B. Gonzalez Convention Center). When you arrive, complete a registration form and present a copy of this pass at the registration desk to receive your name badge.

Expo Plus registration does not include admission to the symposia and educational sessions. For details on how to register for the full conference, visit www.AAMleXchange.org.
