

Are you ready for your next **TJC audit?**

Choose **LANDAUER OPTIMIZE** and get the complete CT and Fluoro solution, and help on your next TJC audit. We can help you comply with patient dose requirements by providing:

- *Automated Procedure Mapping*
- *Customized Reports*
- *Near-Real-Time (NRT) Alerts*
- *Standardization to reduce risk*
- *CT & Fluoro Benchmarking*
- *On demand Expert Physics Support*

The **OPTIMIZE** subscription service is a complete end-to-end solution that takes all the dose monitoring work out of your hands, and it includes both CT and Fluoroscopy dose management measurements.

Purchase **OPTIMIZE** and begin billing by July 1, 2021 to **get 10% off** the per scan price for the first 12 months.
